It was a fun time in Lawrence on Saturday. 36 runners hit the trails in cool, Autumn-like weather.

Young Martine LeAndreu, a Lawrence native, took first place honors followed by Kyle Amos, (Trail Nerd co-founder).

Sarah Sinning was first female by a long shot.

Everybody had fun, and went home with (at least) a Trail Nerd bandana and a smile. Stuart "Sawtooth" Johnson went home with a certificate for some Vasque trailrunning shoes. Several folks won Garry Gribbles race schwag. All of this for a measly eight bucks!

Happy trails,  
Bad Ben, (race director)

Gary "Luddite" Henry finishes with flair.

Coco goes home with some souvenirs.
