

RunLawrence Club Meeting Minutes - Sun, July 10th, 2022

(pending approval)

Meeting held at South Park.

Present: Kara Baden, Dan Kuhlman, Doug Hewitt, Alice Hewitt, Brenda Groskinsky, Gene Wee, Dee Boeck, Don Cackler, Lori Cackler, Dick Lipsey, Janet Huchingson, Jon Huchingson

The June minutes were reviewed and approved.

Gene gave the Treasurer's report detailing income from the sale of club clothing and clock rental. There was discussion regarding the number of events that are requesting the club's clock, timing equipment, cones & flagging and the need for more volunteers to handle these rentals. There are now T-day race sponsorships coming in as well as printing and other costs. These will all be detailed in a T-Day run financial report later.

President Kara reported on nominations she has received for our Club Member of the Year. The board unanimously approved a nominee and agreed to provide that person with a \$50 Downtown Lawrence certificate as well as a printed award at the club picnic next month.

The T-Day 5K entry form should go online this week. We are able to keep the entry fees the same as last year, due to similar or slightly lower expenses in some areas. We will still have family discounts. We will also add a line for donations on the entry form.

It was announced that the club has received two free entries for the Salina Crossroads Marathon/Half Marathon on 11-5.

As usual, our August meeting will be the annual club picnic. Member John Frydman has again secured the use of the Lakeview clubhouse. The club will provide barbecue and everyone will be asked to bring a dish to pass.

Lori urged club members to contact the city commissioners urging approval of funds to complete the loop trail around the city. There are budget votes coming up soon and she suggested club members indicate their enthusiasm for including funding to complete the loop.

Meeting was adjourned followed by members discussing recent races they have run and are planning to run.
