

## October 2, 2022 runLawrence Club Meeting

(pending approval)

Meeting was held at 4 p.m. at Sunflower Outdoor & Bike Shop  
Present were Molly Wood, Becky McClure, Evie Deitrich, Dan Kuhlman, Janet Huchingson, John Huchingson, Tom Stone, Brenda Groskinsky, Kara Baden, Gene Wee, Dee Boeck

The September meeting minutes were reviewed. Dee moved they be accepted as presented, Molly seconded and the motion passed unanimously.

Gene gave the Treasurer's report. There were several deposits made due to club equipment rental, T-Day run sponsor receipts and club membership renewals. Details are available from the Treasurer. Gene has also circulated a financial statement with regard to the Thanksgiving Day 5K and our goal again this year is to exceed 1,000 participants.

Flyers were distributed advertising the T-Day run for club members to distribute especially to our sponsors. The nice long-sleeved cotton t-shirts which will be given to all volunteers were displayed and it was agreed they are very attractive and of good quality. The volunteer sheet was passed around so members could sign up for their favorite job!

It was announced we will have our usual announcer/MC, Charlie Upton and Curtis Marsh will again sing the national anthem. Waxman Candles is making the candles and Van Go is making the awards.

All the usual food vendors are on board and yes, we will have the traditional turkey frosted cookies.

Dee will attend the Woodlawn PTO meeting next week and get the ball rolling there with all they do for us.

New club member Evie Deitrich was in attendance and we hope to see her and her husband at our usual runs and at future meetings!

Becky won the contest to match club member names with the other sports they are involved in and received free club membership for 2023.

Submitted by Dee Boeck  
(in the absence of Secretary Jackie Wilson who forgot and scheduled a dinner party)
