

RunLawrence Club Meeting Minutes

Sun, Nov 5, 2023

Sunflower Outdoor and Bike

Present: Molly, Dan, Don, Lori, Gene, John, Janet, Becky, Tom, Dee

Minutes of the October meeting were distributed and approved, upon motion by Molly & second by Dee.

Gene gave the treasurer's report detailing income and expenses. With the T-Day 5K fast approaching, there were numerous expense and income listings. Some expenses were down this year, such as for traffic barriers, as we can get them through the City now. Gene passed out the volunteer sign up info and noted we need several more volunteers. Fortunately, virtually all of the key volunteer leader positions are filled with veteran workers. Dan questioned whether we needed pace sign holders at the start of the and it was agreed they are probably not necessary for a 5K. Dee has attended the last two Woodlawn PTO meetings and they and the school are set as usual. The timing company and announcer are confirmed.

There will be two work sessions- one to attach ribbons to the awards, and one to put name labels on the competitor numbers.

At 5 p.m. the meeting was adjourned.

Submitted by,
Interim Secretary
Dee Boeck
