

RunLawrence Club Meeting Minutes

Sun, Sept 17, 2023

The September runLawrence club meeting was held at Sunflower Outdoor and Bike Shop.

Present were: Karen Hyde, Becky McClure, Don Cackler, Lori Cackler, Tom Stone, Molly Wood, Gene Wee, and Dee Boeck.

The June minutes were reviewed and, upon no objections, were approved.

Gene gave the treasurer's report, noting income from Thanksgiving Day 5K entries and race sponsorships. Expenses included payment for the music license fee and some printing costs. Don moved to accept the report as submitted, Karen seconded and the motion was approved unanimously.

It was noted that our secretary has moved out of the country and Dee volunteered to serve out the remainder of her term.

The main topic of discussion was the upcoming Thanksgiving Day 5K. It was noted that this is the 100th anniversary of Woodlawn School. We will try to tie in aspects of the run with that occasion, starting with our volunteer shirts which will feature a nice drawing of the school building along with the runLawrence T-Day 5K info.

Gene indicated the rack cards are printed and we will need volunteers to distribute them to various sponsors and locations around town. Please contact Gene or Dee if you are willing to help with that.

The race swag consisting of the glove/mitten and a nice specially printed sticker was displayed. Van Go is working on the medals; we will need to order ribbons and have a work session to attach them. We also will order more fun run medals. Chocolate milk and barriers also need to be ordered. EMT needs to be notified.

A volunteer signup sheet was passed around. This is available on our website and volunteers are urged to sign up for a specific job.

There was discussion as to a streamlined day of race packet hand out and registration process, provided we can be assured of good Wi Fi internet connection at the school.

Next meetings are tentatively set for October 1 and November 5. Please try to attend these important meetings leading up to our big event!
