

September 7, 2025 runLawrence Meeting Minutes

Sunflower Outdoor & Bike

Present John, Janet, Doug, Alice, Becky, Molly, Don, Lori, Gene, Dee

Gene gave the treasurer's report with several things in the income list mainly from memberships, T-Day race entry fees, a deposit refund from the city for use of the depot for our picnic, and club timing equipment rental. There was a slight correction to be made as to two sponsors whose amounts were switched. Don moved to approve the report, Doug 2nd, and it passed unanimously.

T-Day rack cards have been printed and those present took supplies to help distribute.

Gene and Dee reported on the progress that has been made for the upcoming T-Day 5K. Everything is pretty much on schedule and entries are coming in. Caps are being embroidered, awards are being made, cookies are ordered and volunteers are signing up for the various jobs.

It was noted that we need to do a better job of handing out the swag item to only those who qualify.

There was a discussion regarding the Unmistakably Lawrence grant the event received this year and the requirement that marketing is to be the main use of those funds. Suggestions were made as to which expenses exactly might meet that requirement.

It was suggested that we give volunteers hoodies this year and Gene will look into the cost. Perhaps the Unmistakably Lawrence Event logo could be printed on them.

Gene noted that the Rim Rock Classic X-C meet on September 27 needs volunteers.

Gene moved that the meeting adjourn, Doug 2nd, Dudley wagged his tail, and the meeting was adjourned.
